

Frater Paul Saelinger

August 12th is the anniversary of the death of Frater Paul Saelinger. Frater Paul was born on January 6 in the latter half of the 19th century in Weingarten, Germany. He came to the United States and to Subiaco in the late 19th century.

He was invested with the habit as a novice on August 15, 1893. Almost a year later, he professed his vows as a monk of our monastery on his deathbed, surrounded by his community. He died in our monastery on Sunday, August 12, 1894, of typhus.

Frater Paul is buried in our cemetery.
